

Synopsis

AFGHANISTAN ENGINEER DISTRICT SOUTH (AES) Firm Fixed Price Contract for Two (2) Class B Fire Station Compounds in Herat City, Herat Province, Afghanistan (Project Number: PFBW040701 & PFBW040702)

W5J9LE-11-R-0054

06 May 2010

This project consist of the design and construction of site improvements and construction of facilities to support the Afghanistan National Police (ANP) program for two (2) new Class B Fire Stations Compounds in Herat City, Herat Province, Afghanistan. This project is defined as the management, design, material, labor, and equipment to construct and/or refurbish all utilities, roads, buildings, force protection measures, site security, de-mining activities, and other features as referenced in the Solicitation. The work within this contract shall meet and be constructed in accordance with current U.S. design and International Building Codes (IBC), Life Safety Codes (NFPA-101), Force Protection and security standards.

The Government intends to make one award as a result of the forthcoming solicitation. Award of a contract will be made to the responsible offeror who submits the lowest priced, technically acceptable proposal that is both realistically and reasonably priced for the work to be performed. Offers will be evaluated in accordance with the evaluation criteria stipulated in the solicitation. All responsible sources may submit a bid, proposal, or quotation (use the appropriate term) which shall be considered by the Government.

An offeror may not receive award, even if it has the lowest-priced, technically acceptable proposal, if its price proposal fails to demonstrate that it understands the scope of work required by the solicitation. The applicable NAICS code is 236220 (\$33.5M small business size standard). The resulting contract is for 365 days. The magnitude of project range is \$5M - \$10M. Offerors are asked to submit their expression of interest on or before 21 MAY 2011, to the point-of-contact via email. The point-of-contact for this procurement is Evan Carter, Contracting Specialist, USACE-AES, APO AE 09355. You may reach Evan Carter at 540-722-6611 or via email at evan.b.carter@usace.army.mil with a courtesy copy to Tas.contracting@usace.army.mil.

Requirements: DFAR 252.204-7004 Required Central Contract Registration (CCR) applies to this procurement. U.S. prospective contractors must be registered in the Department of Defense CCR database prior to award. Information on CCR registration and annual confirmation requirements may be obtained by calling 1-888-227-2423 or via the internet at <http://www.ccr.gov>. Electronic copies of the solicitation will not be accepted.

Solicitation Number W5J9LE-11-R-0054 will be available on or about 21 MAY 2011. The RFP and all further information will be posted to these websites:
